

Personal data processing outside the EU/EEA

Below you will find a list of third countries outside the EU/EEA where personal data may be processed by us and our suppliers:

- United States
- India
- United Kingdom

When we or our suppliers process personal data about you outside the EU/EEA, we ensure that the data is protected, for example by way of standard contracts approved by the European Commission or the Danish Data Protection Agency, by way of binding corporate rules, see Articles 46(2) and 47 of the GDPR, or on the basis of the European Commission's adequacy decision, see Article 45 of the GDPR. This is to ensure that your rights and the level of protection follow your personal data.
